

Dear Husky Families,

I would like to extend a warm welcome to all the new families that have joined our Husky family this school year. The PTA would like to give our new families as well as other families who missed out, an opportunity to become members of the Helmers PTA. With these uncertain times, the PTA is the voice that represents every child in our school. The PTA represents you at the local school board meetings and Parent Advisory Committee (PAC) meetings. The School Board members and others who are in the position of making hard decisions regarding our schools and students, see and acknowledge the strength of our PTA organization. The PTA state convention is also around the corner and being a PTA member allows you the ability to have a vote in many educational decisions that affect every child in the California public school system.

Your membership fees allow the PTA organization to exist. Without a strong membership drive at Helmers, our PTA is weakened and so is our ability to serve every child. The programs that are run by the PTA such as FIT TEAM or C.H.O.R.D.S. can no longer exist at our school if we are lacking in membership support. Please help us continue to remain being one of the strongest PTA units in Santa Clarita so that our PTA can continue to help serve you and your student. Being a PTA member does not mean you have to volunteer or chair a committee...being a PTA member does mean you have voting rights and representation in your child's education.

Please complete your membership information and return to school by February 19 with your \$5.00 membership fee per person. You will receive discount tickets to Mountasia, Legoland and the Aquarium of the Pacific as a thank you for joining the PTA at Helmers. If you have any questions, please email me at bambricktbk@sbcglobal.net.

Go Huskies!!!
