

NEEDED - Parent Volunteers

The PTA of Helmers Elementary School invites you to become involved. With your help, the PTA will be able to bring your child enriching activities throughout the school year. Of course, all of these activities need helpful hands and great ideas. Please consider volunteering your time and talents.

♦ **Any amount of time you can give is appreciated – an hour a week, or an hour a year.** ♦ Take a look at the list* below, complete this form, and return it to school at your convenience. (Your contact information will be shared only with PTA committees who are seeking volunteer help.) Thank you in advance for volunteering at your child's school.
